The South Carolina Summer Dance Conservatory attracts dancers from around the world to study and perform with some of the greatest teachers of our time. Columbia's reputation for Southern hospitality, along with the unequalled caliber of instruction, makes the SC Summer Dance Conservatory a wonderful place for learning, growth and camaraderie. Now in our 37th year, we continue to offer personal attention, state-of-the-art facilities, a professional atmosphere, and

exciting performance opportunities. South Carolina Summer Dance Conservatory prides itself on offering three professional intensives: **one 3-week intensive for the serious ballet student, one 3-week intensive for the serious contemporary student, and a one-week intensive for the serious jazz student.** Dancers who attend our **Jazz Intensive** will have the extraordinary opportunity to study a variety of dance styles with world-renowned instructors and showcase their work in an in-studio showcase performance. **The Jazz Intensive** is designed for students pursuing excellence in jazz and commercial dance training. The curriculum includes jazz, hip hop, lyrical, contemporary, conditioning, musical theatre, and more. A Live or Video audition is required to be considered.
