

# SCHOLARSHIPS

## FOR MALE DANCERS

The SCSDC is proud to announce a major scholarship initiative for 2024.

If you are a male dancer from 12 to 21 years of age and you successfully audition into our summer program, you may be awarded a full scholarship covering tuition, room and board or a partial scholarship covering full tuition.

The SCSDC excels in providing an enriching and high-level opportunity to put you on a path to success in the world of dance. Over the last three decades our conservatory summer program has provided breakthrough training for such professionals as Joseph Phillips (American Ballet Theatre, San Francisco Ballet, Miami City Ballet) and Christian Tworzyanski (New York City Ballet, Ballets de Monte-Carlo). These dancers have cited their experiences with such internationally recognized SCSDC faculty as Edward Villella and Stanislav Issaev as significantly contributing to their growth and their passion for dance.

We are eager to have you join us this summer and to bring you this exceptional scholarship opportunity.
